

# THREE KEY CHALLENGES OF HOTEL LIGHTING

## ONE SOLUTION

### **Deadlines**

Every hotel project has its own rhythm.

Our production and delivery are tailored to opening schedules.

No delays, no improvisation.

### **Quality**

All lighting is handcrafted using verified materials and components.

We inspect every detail because durability is never a coincidence.

### **Maintenance**

Within the first three years, we replace up to 20% of lamps free of charge in case of physical damage.

No paperwork, no downtime.
